

2017 Servant Event Projects

We are excited about another great Servant Event year at Lutheran Island Camp and Christ Serve Ranch. In the last few years we have been blessed by groups from 17 different states. These groups represent excellent young people, pastors and lay leaders who are committed to providing wonderful service so that the work of Lutheran Island Camp and Christ Serve Ranch will continue.

In 2017, God willing, we will continue that tradition with some great projects. As always, the projects are subject to funding, weather, and the number of groups that participate.

Building the Island Projects

Treehouse village repairs – decking, steps,
Set up gazebo
Staining – Chapel, decks, garage,
Wood chipping for trails, etc.
Rebuild boardwalk
Construct Recreation activities area
Nursing Home Visits
