

Our Facilities Are Exceptional

Located on a 67-acre island in the middle of one of Minnesota's most pristine lakes, Lutheran Island Camp has provided quality facilities for children, youth, adults, families, congregations and organizations since 1952. Our beach has nearly 300 feet of beautiful sand and provides quality waterfront activities including canoeing, kayaking, boating, swimming and more.

Hiking trails, lookouts, benches, a boardwalk through the marshes and wildlife in abundance provide the perfect setting for people of all ages to experience God's creation. Recreation areas include softball, basketball, volleyball, horseshoes and more. There is also a fitness trail and a meditation trail.

The seasons of fall and spring bring their own unique opportunities to enjoy God's creation. Cross country skiing, tubing, broomball and ice skating are some of the activities that you can enjoy during your winter stay here at the island.

Above all, Lutheran Island Camp is a special place for you, your family, your youth group or your congregation to take time away and reflect upon the promises of God given to us in our Lord Jesus Christ

Lutheran Island Camp is a jewel in the middle of East Battle Lake, one of the premier lakes of Otter Tail County, which has over 1,000 lakes within 30 minutes of the island.

About Us

Lutheran Island Camp and Retreat Center serves the Minnesota North District of the Lutheran Church—Missouri Synod. We provide quality programs from a Lutheran perspective, but people of all faiths, geographical areas, and economic backgrounds are welcome. In 2006 we had participants in our programs come from 12 states and Canada.

The Island is owned by the Minnesota North District of the Lutheran Church Missouri Synod.

Lutheran Island Camp provides quality programs for youth and adults of all ages. Each year over 5,000 people come to the Island for spiritual nourishment, relaxation, and fun.

Christ Serve Ranch is also operated by Lutheran Island Camp. It is located 3 miles from the Island and has horseback riding, hiking, a challenge course and many other activities available
