

What is the event?

This is our Active Christian Teen Weekend, it is a weekend set aside for those going into 8th grade and higher to come out and enjoy a weekend on the Island with other Christian Teens from across the state.

Who is welcome?

Anyone going into 8th grade or higher!
Even my unchurched/different church friends?
Especially them!

What sort of things should we bring?

Bedding, clothing, and toiletries should obviously be brought, plus a swimsuit. We will be playing night games one night so darker clothing could be advantageous, and we have a lovely nine-hole disc golf course that everyone will have time throughout the weekend to use, so bringing disc golf discs along would be encouraged.

Weekend on the Island

July 13-15

Lutheran Island Camp, Henning, MN

What kind of activities will take place?

Glad you asked, here are some brief descriptions:

- **S'more Cookoff:** Form a team of 3-6 people and square off in the ultimate s'more cookoff. Compete with other teams to see who can impress the judges with their fire-roasted creation. Hint – it's not just graham crackers, marshmallows, and chocolate that you'll be using to try to convince them yours is the best!
- **Romans and Christians:** This is a night game that is optional to join in. Participants will take the part of Christians under Roman persecution, searching for underground church while avoiding the Roman inquisitors scouring the Island for them.
- **Activity Rotations:** Two sets of two activity rotations will be offered on Saturday. The morning rotations are mandatory while the afternoon rotations are optional while the beach is open for free swim and sun bathing. Some activities offered will be Ultimate Frisbee, Pontoon Swims, Horseback Rides, and Kayaking Around the Island. The full list will be available at checkin and will depend on the number of registrants for the weekend.
- **TAWG:** Time Alone With God, just some time set aside for everyone to spend some time alone with their bibles studying God's Word.
- **Mystery Evening:** This is an optional evening activity for Saturday Night. A murder has occurred, and you are one of the suspects! Take on the role of a character in a murder mystery and try to solve it before time runs out!

In years past you've had speakers for this weekend, will there be any this year?

This year we are trying a different approach for our spiritual growth times. Youth will be split up into small groups for Bible Study and will have the opportunity to explore the Bible and their faith lives with other teens.

Will there be any adult leaders for these groups?

Yes, and we hope your group would be willing to bring one along! There's no advanced spiritual knowledge required, leaders who are willing will receive a leader guide to help them along the Bible Studies and facilitate meaningful conversation without needing to explain everything in detail.
