Are you looking for a special adventure for your family?

Lutheran Island Camp has been providing quality programs and facilities for families since 1953. We have a wonderful variety of programs for families of all

ages including grandparents. Events range from Mother/daughter to our wonderful Little Lambs and Sheep camps. We also have specialized programs for parents and grandparents.

Our Facilities are exceptional

Located on a 67-acre island in the middle of one of Minnesota's most pristine lakes, Lutheran Island Camp has provided quality facilities for families since 1953. Lodging is available in cabins located within 20 feet of the lake (May-September), in either of our two winterized cabins, or in our Education and Retreat Center. Great meals are included in all of our programs.

Other Amenities

Hiking trails, lookouts, benches, a boardwalk through the marshes and wildlife in abundance provide the perfect setting for families to experience God's creation. Recreation areas include softball, volleyball, archery, horseshoes, basketball, horseback riding, and wagon rides. Pontoons and boats are available as well. In the winter, we provide broomball, cross-country skiing and access to one of Minnesota's great snowmobiling areas.

Within a few miles are horseback riding, great souvenir shopping, golf, a water park, and some of the best fishing in Minnesota.

Family Programs

We are a Christ-centered facility that intentionally uses scripture, devotions, worship, and fellowship to nourish the spiritual needs of all participants. Interesting discussions and study are available for adults. Children and youth are able to participate in age appropriate Bible learning and activities.

All inclusive rates: Includes lodging, meals, activities, and use of facilities.

Each event has its own rate so be sure to check our web site for the most up to date information.
