Plan to attend Horse Camp in 2012

There are always tears at the end of the week of horseback riding camp at Lutheran Island Camp. Kids have made new friends, both two and four-legged, that they don't want to leave.

Lutheran Island Camp's Horseback Outreach Program begins and ends with an understanding that God is in control. Campers study His word around a campfire. They sing praises to Him while horses munch on their afternoon or evening snack of hay and oats. Kids lay their heads on saddles and drift off to sleep for a nap or for the night depending on the program.

In 2008 Lutheran Island Camp purchased its own herd of beautiful horses. Those horses and all the equipment that was needed were purchased as a result of generous gifts from many families, organizations, and congregations.

In 2012 we'll be moving our Horse Outreach Program to Christ Serve Ranch, a 275 property that is just 3 miles from camp. This new location will allow horse campers to spend less time traveling and more time with horses and in other camp activities.

Be a part of the first group of campers to utilize Christ Serve Ranch.

2012 Events expanded

In 2012 we will offer four types of events: Our Horse Outreach Servant Event is for youth to help us get the horses and trails ready. Voyager/Teen Trek Wrangler camp is for kids who have had at least a couple of years experience. Tenderfoot camps are for youth who want to learn more about horses and riding, but aren't yet ready to do all the work themselves. Beginner Horse Camps are weekend events for youth who have no experience around horses.

Ages: 14 and older.
