

## Have a Spring Fling at the Island

We anticipate a little less snow on the ground for the Women's Retreat in 2012. April should provide a beautiful setting for ladies from around the region to come and enjoy the Island. It is a wonderful time of change with spring birds starting to arrive, geese starting to hatch, a fawn or two being born, grass and early flowers making a show and the ice breaking up. This year's retreat will provide an inspiring and humorous interlude before the hectic activities of the spring and summer. Enjoy Jan Stuck as she shares stories from her life and lays out the joy she has in being a child of God.

Lutheran Island Camp is a gem in the middle of East Battle Lake near Henning, Minnesota.
