

It is an Amazing Day at the Island

God has blessed us with many wonderful days during 2018. We've watched as hundreds of children and families from around the upper Midwest came to camp and experienced God's many blessings. God made this all possible through the congregations, organizations, individuals, and families that continue to support Lutheran Island Camp. Thank you!

Now is the time to prepare for 2019. We will once again need that partnership to continue. Your prayers are most important as we move forward with plans to improve facilities, provide adequate, trained staff, and keep our rates affordable. Your gifts will assure that every child can come to camp, that we will be proper stewards of existing facilities, and that we can invest for future generations. Your time as a volunteer is always appreciated, especially with all of the projects now at Christ Serve Ranch.
