SUNDAY

8:00 – Breakfast

8:30 – Flag Raising

9:30 – Ice Cream Social

10:00 – Closing Service

11:00 – Check Out

Frequently Asked Questions

1. Will we be shooting real guns? Do you need prior experience with guns to attend?

We will be shooting real guns, but you do not need prior experience to attend. We do our shooting at Rush Lake Range in Ottertail, MN. Their well trained staff will give everyone the safety information needed as well as being there throughout the shooting to monitor everything that is going on. They will also provide all of the safety equipment. We have shot everything from .22s to AR-15s in the past, and the staff at Rush Lake Range are excellent at catering the time to the abilities and interests of the campers.

2. Will we have time to enjoy the rest of the Island, or just have time with my child?

Definitely, with our adult/child programs the activities are there for you when you want them, but if you and your child just need some time away from the group you can do so at any time!

3. Will we receive any certifications through this camp?

Unfortunately we are not able to offer any gun safety certifications or training at this event.
