Frequently Asked Questions

1. What kind of costumes & props should we bring?

A letter will be sent out at the beginning of summer which describes the particulars of the summer's production and ways you might contribute to costumes and props. (E-mail rokenbrm@csp.edu if you haven't received it by the end of June or if you register during the summer.) For those who are unable to bring anything, our costume supply on the island has not yet failed to equip us. Examples of costume requests in the past have included 19th century prairie attire, graduation gowns, and 1940s detective attire. Bringing your own costume assures accurate fitting. Our costume supply will gratefully accept any donations at the end of the week.

2. I see music lessons on the schedule. What does that mean?

We try to provide one or two optional music lessons to every camper. Instrumental lessons (i.e. violin, trumpet, or piano) are dependent year to year upon staff background. Campers may also sign up for vocal lessons. On their Sunday evening audition sheets, campers also indicate if they wish to lend their specialized musical talents to Friday's show. If your camper is instrumentally gifted, please bring his or her instrument and a lesson book to camp.

3. Is there a final performance?

On Friday, friends and family of campers are invited to see their camper in a two act biblical & musical production in our Outdoor Chapel. Arrive early for the First Act at 9AM.
