FRIDAY

8:00 – Breakfast

8:30 – Flag Raising

9:30 – Ice Cream Social

10:00 – Closing Service

11:00 – Check Out

Frequently Asked Questions

1. What sort of activities will be offered?

Splash week activities are all geared around the water, including kayaking, canoeing, pontoon swims, water kickball, Ultimate Kayaking, and of course, the annual Lutheran Island Camp Water Games!

2. Will Horse Rides be available?

Horse rides are available this year, please sign up when you register your child or online before arriving for registration. They will be for approximately one hour on one day during the Swim Time.

3. If my child has a friend coming along, will they get to stay with them?

When you register your child there should be an option to put down cabin mates, make sure to put your camper's friends down under that and we will make sure they will be together!

4. The age groups seem large for the camp, will my child be with other campers their own age?

Campers are placed in cabins with the closest age campers that are possible. Usually there is no more than a two year difference between the oldest and youngest campers in a cabin (ex. 8-10, 10-12, 12-14, etc.) In cases where siblings or friends wish to be in the same cabin and are of different ages, the pair will be put in cabins nearer to the younger child's age.

5. What happens if my child gets homesick?

Homesickness is common among campers, especially those that are younger and are not used to staying away from home. Our staff is trained to work with children who are homesick, and work with campers to help them enjoy their time at camp! Please do NOT tell your campers that they can call home, studies done by the American Camping Association and the Christian Camp and Conference Association have shown that this increases homesickness and increases the child's odds of needing to be sent home.
