Greetings in Christ!

Our thoughts and prayers are with **the Mabel Dewey** family of Bagley. Mabel was called home to Jesus on Saturday, March 30, 2019. She was the mother of Judy Dewey Kretzschmar of Bagley who served on our staff in the late 70's and has continued to serve us as a volunteer and the person who developed our Prairie and Woods program at Christ Serve Ranch.

We have a nice group of ladies coming for our **Women's Retreat** this coming weekend. There is still time to get registered. Just give us a call to get signed up.

**Bulletin Insert:** Lutheran Island Camp is a great bargain at any price but our congregation makes it even more affordable. We offer (put in amount) scholarships for children to attend. In addition the camp offers camperships for those who have special needs

**Ice Age Tour and Lunch:** Christ Serve Ranch is located in an area rich in geological formations and Ice Age evidence. Just 10 minutes away is a continental divide. The kettles, drumlins, moraine, loess, erratics, grooves, and a host of other geological phenomena created by glaciation are present within minutes of our location. Join us for a guided tour of these geological formations led by Stacy Lung, author of **Wisconsin's Flood Journey: Creation Geology of Wisconsin and the UP** will be leading the tour. Ages: 10 and older. Cost: \$25 includes with lunch to follow. Tour will be on Saturday April 20

Signs of spring are beginning to abound. Many birds are returning including geese, Sand Hill Cranes, and even a few robins. Another sign of spring is **Spring Cleanup** at camp which will be held on May 4<sup>th</sup>. We need lots of help this year! Call to register. There is no charge but we need to know how many folks are coming.
