Greetings in Christ!

The end of our summer camping season is here! Thank you so much for a nice summer. Next week we will share some of the highlights of Summer 2019.

**Bulletin Insert:**

Fall is a time for lots of change at Lutheran Island Camp and we could really use your help. Our maintenance director is laid up for a while which means we need some help with horses, fall maintenance, wood cutting and so much more. Put together a work crew of family and friends and represent our congregation as servants for the camp.

We are pleased to welcome a nice group from a congregation in the Duluth area. They will be joining us this weekend with upwards of 120 people. Maybe your congregation would like to do the same thing? We can do some of the work or you can do the whole program. Just give us a call.

Our dear friend **Dick Cloeter** has joined the heavenly choir. Dick passed away yesterday. Dick and his wife Kathy have a very long history with Lutheran Island Camp that goes back to the very beginning of the camp. In recent years they have continued their volunteering, helping with our scrapbook, many mailings and often dropping by for a sampling of Dick's great peanut brittle. Our thoughts and prayers are with Kathy and their daughters and families. May God grant them peace and assurance that they will spend eternal life together.

**Question and Answer:**

**Question:** What happens next at camp?

**Answer:** We take a deep breath, thank God, and get ready for more guests arriving next week when a number of sports teams come to camp and enjoy our facilities. We also have a family event coming up on Labor Day weekend.
