

Reverend Dr. Karl A. Weber
St. Paul's Lutheran Church, Richville, MN & St. John's Lutheran Church, Ottertail, MN

Introduction

Welcome to the **Make A World For Christ My Goal Appeal** congregation Bible studies. These studies were developed by Rev. Dr. Karl Weber of Otter Tail, Minnesota. These studies are intended to be used during a six-week session prior to the congregation's effort in the capital appeal. In addition, there will be a series of three sermon notes that will be prepared for the congregations use.

This study includes both a pastor's copy and a participant's copy. The pastor's copy provides answers and insights that will make the study easier to lead. We encourage you to print out copies of the participant's copy for your congregation's use either in your regular Bible study or for family use in the home.

The Study focuses on helping us better understand who Christ is, what the world needs, our own relationship with Christ through baptism, God's desire that the world would know Him, our response to His love in sharing Him with the world, and the ultimate promise of life eternal.
