How have you been involved with Lutheran Island Camp?

Please share with us one or more of your favorite memories at Lutheran Island Camp.

I have lots of great memories of camp, but one of my favorite was the Super Teen Fling in the 1970's. I also very much enjoyed the scripture songs. I'll always remember my first trip to the Island when I was 14. It took about 3 hours and the last few miles felt like we were going into the wilderness, but it was a life-changing event that provided me with friends that I still have almost 50 years later.

Meeting my wife to be here at on June 2, 1969. We've had so many wonderful memories since then that it's hard to identify just one. There have been lots of life-changing experiences for me besides meeting my bride. Some of the chapel devotions were especially meaningful. I remember some great skit nights, pow wows, softball games, and always lots of meal time singing. Saying goodbye at the end of a week was always tough but also provided some great memories. And, there were the people who meant so much to me. Folks like "Pete" Sprengeler, Herman Hannemann, Art Beck, J.B. Myhr, I.M. Bade, Karl Ansorge, Virginia Ansorge, the Eifert twins, and the list could go on.

Tell us how God has worked through camp in your life.

God used camp and the many Bible studies, worship experiences, and great friends to strengthen my faith and lead me into working with people throughout my life. He provided me with my wife and lots of great friends. God using the camp and the Bible studies and worship experiences has influenced my entire adult life. Not only did I spend 12 years as the director, but now have returned first as board member and now staff again. In between, camp was never far from my thoughts and prayers as nearly everywhere we went we would find former campers, staff members, and friends. God has some wonderful plans for camp and the future. Jeremiah 29
