How have you been involved with Lutheran Island Camp?

Volunteer, Camper

Please share with us one or more of your favorite memories at Lutheran Island

Camp. I could never pick just one, but it was always a great place to get away and make wonderful friends. By the end of a week you wouldn't want to leave, would cry leaving the friends you had made, but would feel completely refreshed when you were back at home. It is a completely cleansing experience that every child should have.

Tell us how God has worked through camp in your life.

Besides just the friends he helped me find, I really found strength in difficult times while at camp, and now I can look back and see how much it helped.

Please feel free to share a personal update with other alumni in the space below.

Back in the days, campers new me as the Counselor in Training- "Mickey", now I am married with 2 beautiful sets of twins. Yes the 4 of them keep me busy, my daughter actually sings at church, I am hoping one day to do a family camp, maybe next summer...
