How have you been involved with Lutheran Island Camp?

Please share with us one or more of your favorite memories at Lutheran Island Camp.

In the 20+ years we have been at camp, the most memorable one is the marriage of our daughter and son-in-law in 1997. We are now able to come to camp in August as a three generation family.

Some of our favorite memories are of staying at the campfire with the counselors leading singing for hours on end. Evening campfire sometimes went until close to midnight with nobody wanting to leave!!

Tell us how God has worked through camp in your life.

Our faith has been strengthened through the friendships we have made at camp.

Please feel free to share a personal update with other alumni in the space below.

Our family has grown from the four of us to now 6 of us. We started coming to camp with a 2 1/2 year old and now come to camp with our granddaughter of about the same age. Gib continues to hobby farm. His hobby is spoiling Payton. I love to scrapbook and had a wonderful time at the LIC retreat last winter.

We still keep in contact with John and Rosaleen Pratapus from Illinois. We consider all of you that we camped with as our friends. God's blessings to you all.

Long live Lutheran Island Camp!!
