How have you been involved with Lutheran Island Camp?

Staff, Volunteer, Camper

Please share with us one or more of your favorite memories at Lutheran Island Camp.

It's because of camp that I met my wonderful husband, thanks to my spectacular brother who worked with him!

My husband proposed to me at camp at the Bluff during a sunrise.

I LOVED working at camp! My brother gave me the idea to do it, and I've been hooked ever since. I've met so many wonderful people and have made many friendships that I'll treasure always.

I enjoy reuniting with fellow past staff members around News Year's on the Island. During our crazy holiday schedule, going to LIC is one of the events I most look forward to because it's so laid back.

Attending August Family Week has become another fun event that I go to with my husband & two children. I can't say enough great things about it!

Tell us how God has worked through camp in your life.

LIC is surely a special place for me. I don't know why, but I feel so at peace as soon as I drive on the Island and am always sad when I have to leave. God has certainly blessed me because of LIC. I've grown more in my faith and definitely have more of a desire to be in the Word & to live by His Word. And it's so fun that I've grown in my confidence to share God's love with others, when given the opportunity.

Please feel free to share a personal update with other alumni in the space below.

I'm a stay-at-home mom by day, and a music lesson teacher when my husband gets home from work. My two children are Josiah & Aria. My husband & I enjoy bringing them to camp. I love music; I teach lessons, share my talents at church, and sometimes help out at our school. I've been able to keep in touch with most of the people I've worked with and am so grateful for that!
