Lutheran Island Camp's Horseback Outreach Program

(HOP)

Over 10 years ago the board and staff of Lutheran Island Camp saw the opportunity that providing a horseback riding program could bring. Within a few short years the HOP had grown to 6-7 weeks each year. The program was held in Perham, about 25 miles from the camp. In 2006 the program was moved to Leader, Minnesota where we rented the horses. In 2008, HOP will be coming back to the Henning area and we will be purchasing our own horses, saddles, and other equipment. In order for this excellent evangelism tool to work, we will need assistance from individuals, families, congregations, and organizations. HOP provides wonderful opportunities for Christian witness.

Lutheran Island Camp Horseback programs will bring well over 100 youth to camp in the next year. Many of these young people would go to secular horseback camps if it weren't for your sponsorship of a horse. For some, this is a wonderful opportunity to learn about God and His creation and His Son, Jesus.

A D O P T - A - H O R S E S P O N S O R - S H I P

When you agree to sponsor a horse in our Horseback Outreach Program (HOP), you help cover at least half of the cost of feed, vet and hoof care, equipment, and stabling for the horse you sponsor. That allows us to keep our rates lower than any of the secular programs providing quality horseback riding as a part of their program.

You will get a photo of your horse, information about him or her, and will have the opportunity to visit (or ride) your sponsored horse during our summer appreciation day. We'll also have the youth that ride your horse drop you a note to let you know how their time at camp went.

Most important, you will have the knowledge that your sponsorship helped provide one of the tools that helped us share Jesus with a young person who otherwise might not have had that opportunity. Everything we do at the Island and Christ Serve Ranch is about ministry and evangelism. That includes striving to have the best Horseback Outreach Program possible.

H O W S P O N S O R S H I P W O R K S

This is how sponsorship works. As an individual, family, organization, congregation, Sunday School, or group you decide that you want to sponsor a horse either in full (\$1200 per year) or in part (\$600 per year). You complete the form on the back side of this brochure and send it to camp. When we have a

horse available, we will let you know. We'll send you a picture of the horse with his or her name and a history. As your sponsorship continues we'll send you information about what else you can do to support your horse as a tool of our program. Examples might be to send him/her carrots or get a new blanket or pray for the youth who will be riding him/her. Anything above and beyond the sponsorship is voluntary, but can be fun for you as a family or group. If one of your family members or congregation or group comes to a horse camp, we'll try to have that person ride your sponsored horse, but we do reserve the right to assign horses as we see best will fit the needs of the horse and rider.

Sound like fun? Then let's get started by completing the form on the back of this brochure and sending it off to camp. Thank you for wanting to share the Lord through
