Prayer

We know the value of our prayers and we know the value of your prayers. We know that many of you keep LIC in your prayers and for that we give thanks. On October 31, we encourage you to join with thousands of others in a day of prayer. Here are some suggestions for your prayers that day.

- † In the morning give thanks to God for His saving grace and for the beautiful gem that He has given us at Lutheran Island Camp.
- † In church, join with others in lifting up the outreach ministry that Lutheran Island Camp is doing with people who don't know Jesus. (Somalis, Hmong, Hispanic, Native Americans, Liberians, Nepalese, and those whose families have drifted away from their Savior)
- † At meal times, please remember the children and families that we work with who hunger for more knowledge, more faith, and more assurance in their Lord.
- † In the evening please pray for our advancing efforts to proclaim the truth of God's word through our efforts to establish a Creation-Science Environmental Learning Center at Christ Serve Ranch and Lutheran Island Camp.
- † Ongoing and daily, please remember the staff and board of directors of Lutheran Island Camp as they prepare programs, make decisions, and share Christ daily with those who need to know Him.

Praise

Whenever the staff of Lutheran Island Camp is privileged to visit with people either at camp or in congregations, we invariably hear about the impact that Lutheran Island Camp had on their lives or the lives of loved ones. We've heard about people faced with difficulties in their lives who suddenly remembered a devotion or scripture song from camp. We've heard about God using visits to camp to introduce future spouses. We've witnessed weddings and baptisms at camp. We've seen families reconciled, grow in Christ, and make significant decisions while at camp. And, we've been privileged to be the place where youth groups, congregations, and organizations have come to be trained, to be inspired and to grow in their ability to share Christ.

To God be the glory for all of these wonderful things that have happened at camp! Can we ask you to share what Lutheran Island Camp has meant to you? You can do that in any of several different ways.

- † Share through our website. Go to our website and look for **Amazing Day**. Go to the Alumni page and follow directions to share your story. Other stories will be there already.
- † Drop us a note and send it with the form on the back of this brochure. Share with us your praise of how God worked in your life.
- † Stop by for a visit at Lutheran Island Camp. We'd love to hear your story and show you how camp has changed and improved. Why not come back home to camp for one of our great programs?
- † Share Lutheran Island Camp with others in your circle of friends and family. You might be surprised to hear other stories just as thankful as your own. We've had over 60,000 people at camp in the last 60 years.

Give Thanks

People give thanks in so many ways for the great gift of Lutheran Island Camp. They do so in their prayers, by volunteering and by participating in our programs. Perhaps the simplest way to give thanks is through gifts given to assure that the work of Lutheran Island Camp will continue on into the future. We invite you to look at any of a number of ways you can give thanks to God by returning to Him some of the gifts He has given you.

- † By giving to the "Greatest Need" you allow us to direct your gift to the needs that are current or come up during the year. We use these funds to help with camperships, to purchase needed equipment, and to support the camp during times when our expenses exceed our income. Give on-line at www.islandcamp.org.
- † Help us finish off the Chapel and Recreation Hall. God has blessed us with over \$105,000 in order to renovate and winterize that building. We still have heating systems to put in and some more insulation, paneling, and electrical to do. We think another \$25,000 should just about finish it. And, we have been blessed with a donor who has offered a match. Give on-line at www.islandcamp.org.
- † Our Creation-Science Environmental Learning Center programs continue to grow and we are getting closer to the purchase of Christ Serve Ranch which will be the site for the C-SELC, our horseback program, and future RV camping. Give on-line at www.christsserveranch.org.
- † Many people are including Lutheran Island Camp in their estate plans, life insurance, or charitable annuities. We can help you make the necessary arrangements to extend your support of Lutheran Island Camp well after you have been called home to the Lord.
