2008 Christ Serve And Teen Servant Events and Registration Information

Christ Serve: Serving Christ because we want to.

Christ Serve Leadership Training:

Each of us has been called to serve Christ through His church and other service opportunities in our local communities. The goal of "Christ Serve" is to identify, inspire, develop and train young leaders to lifelong service in the church, through local congregations, missions, and special ministries such as Lutheran Island Camp, Christ Serve Ranch, and others.

Many of our current and future staff members at Lutheran Island Camp have gone through Christ Serve Leadership Training. That will be even more significant in years to come.

Youth participating in this program will receive training in communication skills, problem solving, strategic planning, group dynamics, and project development. We use the game of chess as a metaphor for much of what we do.

If you eventually want to be a part of the Island Camp or Christ Serve Ranch staff, this is where you should start.

Dates: June 5-10.
Cost: \$150

Youth will be trained using a unique model based on the game of Chess

Junior Counselors and Teen Servants.

There are two ways to qualify for being a junior counselor or teen servant.

1.) At least 15 and completed sophomore year or 2.) 14 and a freshman who has taken Christ Serve Leadership Training.

You will need to complete an application and attend our training session on June 6-7. (Christ Serve Leadership Training Participants can attend at no additional cost).

Junior Counselors work under the supervision of a senior program staff person. They may serve as a resident camp servant and help with games and activities, help supervise VBS and Day Camp groups, help with singing, or become a part of a traveling team helping with off-camp Day Camps. Teen Servants help with specific activities such as our Horse Outreach Program (HOP), maintenance, or grounds projects.

We do have an expectation that our Junior Counselors and Teen Servants attend at least one Christ Serve or Teen Trek event during the summer as well. It is important for you to be a camper too!

You can download an application from our website: www.islandcamp.org/content_75.php. You can also review the sessions that are available and select the ones you want.

You can call and request an application as well.
