

**Sharing Christ with others?  
You need to know how to  
respond to evolution!**

As Christians it is our desire to share Christ with a pagan world. In order to do that affectively it is important that we know and understand how to respond to evolution and Darwinist apostles.

Join us for this excellent three day program that will teach, inspire, motivate, and challenge you to share Christ to people who need to know their Lord and Savior.

Dr. David Peter is a gifted instructor who believes first and foremost that any discussions about Creation and Creation-Science begin and end at the cross and the empty tomb.

Join us for the entire weekend or for Friday and Saturday only.

Sunday afternoon will be Lutheran Island Camp's annual Reformation for Today with Dr. Peter presenting on the topic of: "Using Walther's Law & Gospel to Detect Theological Danger."

About Lutheran Island Camp

Lutheran Island Camp provides quality, Christ-centered programs for people of all ages. Located on a 67-acre island in the middle of East Battle Lake, our setting is unique and beautiful. We have facilities for up to 200 people including a retreat center, cabins, excellent waterfront, recreation areas, horseback riding, a beautiful chapel, and excellent food.

Program participants should plan to bring their own bedding, personal items, and towels.

A map with directions to the camp will be sent along with confirmation of receipt of your registration. You can also visit our website for more information.

## Responding to Evolution

### Is it a challenge or an opportunity?

A recent Barna study shows that as many as 85% of our youth will lose their faith as a result of the challenges they face in high school and college. Only about 40% of the population of the United States believes that God created the world. Many people who consider themselves to be Christians reject the first article of the Apostles creed. How do we as Christians respond to those with

whom we want to share Christ when they ask us or challenge us with questions about our Creator God?

*Dr. David Peter has a passion for helping pastors and teachers respond to the challenges they often face in smaller congregations.*

Our intent, through this program, is not to prove the Bible correct, but rather to use the Bible as our ultimate resource in responding to those who question us about evolution.

Participants will learn that God, creator of all things, is the creator of science, wisdom and our ability to accumulate knowledge. Dr. Peter will share on the topic "The Truth of Genesis" He will teach how our ability to share Christ is actually enhanced when people question us about evolution.

### Who should attend?

If you want to share Jesus with someone, you should attend. In particular we want to encourage evangelism committees, elders, pastors, Sunday school teachers, youth leaders, and teens to attend.

## The Truth of Genesis

Friday, October 21

- 7:00 Arrival and registration
- 7:45 Introductions and Orientation
